Reference: 12 Day Pre-Special Report (1/1/93-4/11/93)

Dear Ms. Weisend:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report provides a memorandum to Schedule A supporting Line 11(a)(1) of the Detailed Summary Page outlining corrective action taken regarding several excessive contributions received by your committee. The memo indicates that the federal account transferred the excessive funds to its non-federal account. While transfers are disclosed on Schedule B supporting Line 22 of the Detailed Summary Page, you have failed to clearly report the exact date of the corrective transfer-out of each contributor's excessive contribution(s). Please amend your report to clarify when each contributor's excessive funds were transferred out of the committee's federal account.

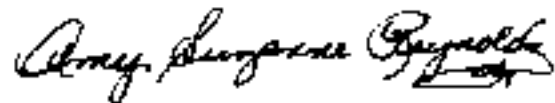

In the future, please note that you should disclose the purpose of each transfer-out to a non-federal account representing corrective action taken by the committee. It is imperative that the date of any corrective action (whether a reattribution, transfer, or refund) be clear on the public record because action must be taken to rectify the receipt of an excessive contribution within sixty days of its receipt in accordance with 11 CFR 103.0(b).

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Clerk of the House of Representatives, 1036 Longworth House Office Building, Washington, DC 20515 within fifteen (15) days of the
